FIND YOUR COLORS. SET YOUR MOOD.

Colors influence our mind and mood. By being conscious about our color choices we're able to define our space and evoke certain emotions.

Browse through our brand-new colors that are designed to enhance the POSITIVE, CALMING, PERFORMANCE or REFLECTIVE moods within your home – and let the harmonies (18 columns of 4 colors) inspire how you combine the colors in your room.

Just imagine playing with your kids and feeling the boost of energy from an Energetic Orange; or having maximum focus while sitting in your home office surrounded by an Active Purple to then find yourself lying in bed and feeling a Meditative Rose improve your relaxation.

Let this color card inspire you to choose the colors that match your mood.
